ABOUT ME

Her proficiency in dealing with all aspects of child psychology including those with **Special Health Care Needs Children** is commendable. She holds expertise in performing FMR cases for **young uncooperative, physically/mentally disabled, hemato-oncology or malignancies ridden patients under General anesthesia**. She promises to deliver Single visit painless treatment for children of all ages.

Her beneficial contribution to society is evident with her active involvement in **dental health camps and rotary clubs** escalating awareness about **Oral Hygiene In Pregnant Mothers And Infant Oral Health care**. She has done BDS from reputed DY Patil Dental College, Navi Mumbai and **Post Graduation** from SGT University, Gurgaon. At present her practice is exclusively known for carrying out successful dental procedures in children under **Conscious Sedation (Laughing Gas dentistry)** and **General anesthesia** without inflicting any pain.

She is currently heading pediatric dentistry department and is Managing Director of most elite chain of dental healthcare in the country "**COSMODENT INDIA**". The main aim of her treatment is to instil feeling of motivation in child to maintain oral hygiene by them self and she is a firm believer of '**Prevention Is Better Than Cure**'.
